

THE POWER BEHIND A JOB DONE RIGHT.

TACO INNOVATION & DEVELOPMENT CENTER CRANSTON, RI

OWNER: Taco, Inc.

PRIME CONTRACTOR: Shawmut Design & Construction
Providence, RI

ELECTRICAL VALUE: \$1,372,000

DESCRIPTION:

A new design-build 24,037 square foot two-story building complete with a sixty-three seat lecture hall, two twenty-five seat teaming spaces, two thirty seat classrooms, a library with computer center, conference rooms, demonstration rooms and multiple offices. **REELCO** also completed the 24,000 square foot electrical renovation to Taco’s existing headquarters that is connected to the new building, as well as the new 600KW generator. The project was completed on-time and within budget without any interruptions to Taco’s existing 180,000 square foot manufacturing operations.

PROJECT MANAGER: GREG WATERS

PROJECT FOREMAN: PAUL SZLACHCIUK
